Hekman TABLES

Hekman tables are prized in thousands of America's homes as superb examples of the best in cabinetry. They are expertly styled and crafted in the painstaking manner which has long been the pride of Grand Rapids artisans . . . designed to add to your home real convenience and comfort as well as greatly increased interest and charm. All solid parts are carefully selected woods, chosen for stability, strength, and beauty. The broad surfaces are laminated and faced with woods of the same high character, selected particularly for their fine figure and texture. Their beauty-rich finish is alcohol and burn resistant.

TOWN & COUNTRY

Included in this category are the many fine pieces shown in this folder in the Italian Provincial motif. They are constructed of the finest selected cherry and birch in beautiful fruitwood finish, and in most cases may be had in mahogany also. Both the TOWN & COUNTRY and CLASSIC MAHOGANY PIECES described below are also available in BRUSHED WHITE finish with or without gold striping. This is a beautifully textured, mildly distressed finish which, discreetly used, provides unrivaled elegance.

ENGLISH COUNTRY MANOR

There are nine tables in this group, made of selected walnut veneer with finest birch solids, finished in a beautiful soft-toned tobacco brown color. Generous proportions make this group ideally suited for casual living.

CLASSIC DESIGNS IN MAHOGANY

The Hekman tables of classic styling shown in this folder faithfully reflect the old master designs. They are all Honduras mahogany and may be had in "Antique Mahogany", a finish

of exceptional beauty, and in most cases "Brushed White." Most all items are also available in cherry and birch, fruitwood finish.

FINISH SYMBOLS: The letter following the stock number indicates the finish, i.e.: "B" BLACK & GOLD, "F" FRUITWOOD, "M" ANTIQUE MAHOGANY, "T" TOBACCO, "BW" BRUSHED WHITE & GOLD, "L" LORRAINE (harmonizes with FRUITWOOD, mildly distressed, color padded and dusted to suggest age.)

LEATHER TOPS: are indicated by the fraction — $\frac{1}{2}$ after stock number. These are the very finest top-grain leather, tooled in gold and have a genuine hand-padded finish.

MARBLE TOPS: indicated by the fraction $\frac{3}{4}$ following the stock number, are the finest imported Italian marble and are now shipped with the table.

THIS FOLDER, OUR 1958 SPRING EDITION, can be used for selecting additional tables now . . . or tucked away in your file of better things to come, but remember that the best way to insure obtaining tables that you will be proud to own is to make sure they bear the HEKMAN insignia.

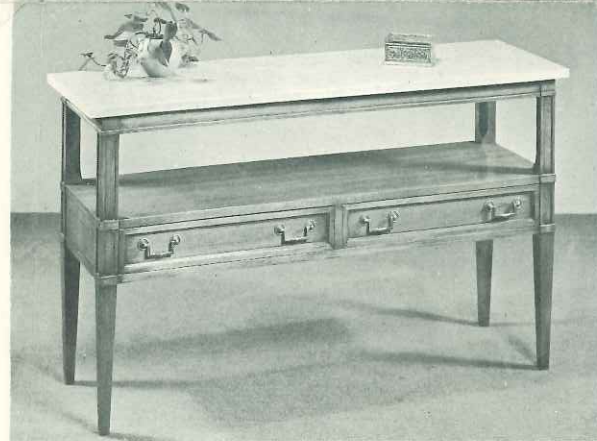

For complete showings of Hekman tables in other motifs write for separate folders: (B) "HOME-MAKER MODERN (Danish Contemporary). (C) "FRENCH PROVINCIAL."

CARE OF FINISH

Polish your Hekman table occasionally, including the leather top, with a good liquid polishing wax. Apply wax sparingly and not directly to table. Work it into a soft cloth, rub evenly, polish with another clean cloth. Do not use oil. This occasional care will bring added beauty as your table grows older.

PRE-PACKAGED FOR COMPLETE PROTECTION

Every Hekman table is pre-packaged at the factory in a manner that fully protects it and permits your dealer to deliver it to you in good condition.
